TEXT & CALL-A-THON

Set up, Text & Call Directions

EDGE60

Hello Parents!

We will be launching our Edge 60 Text and Call-a-thon in the coming days and wanted to answer any questions that you may have ahead of time.

Fundraising is a vital part of our program and we need everyone's help in order for us to reach our goals and have a successful year. This fundraiser is one of the most efficient ways we've found to raise the most amount of money in the least amount of time.

The best way you can contribute is to help your student gather 20-25 or more cell phone numbers from people that are likely to support them.

Below is a list of potential supporters to make it easier to help brainstorm who those might be:

Potential Supporters

Mom & Dad	Family Friends	Dentist / Orthodontist
Brothers & Sisters	Holiday Card Lists	Doctors
Grandma & Grandpa	Former Coaches	Hair Stylists
Aunts & Uncles	Club / Other Sport Coaches	Insurance Agent
Cousins	Accountant	Massage Therapist
Religious Members	Contractor	Mortgage Broker
Co-Workers	Chiropractor	Real Estate Agent
Neighbors	Personal Trainer	Veterinarian

Your student will text out a donation link and will follow up with a phone call asking if they'd like to support the cause. The phone numbers are used for this fundraiser only and no one will be selling your information.

Thank you in advance for making this fundraiser great!
